8. Background and experience in the area of appointment.

During my tenure as an Assistant Attorney General, I prosecuted felony offenses ranging from drug possession to capital murder. In addition, for a number of years, I was responsible for prosecuting any offenses that occurred within the walls of the South Dakota State Penitentiary. I also defended the State in civil 1983 prisoner litigation. These duties provided insight not only into the process of criminal litigation but also to the workings of our correctional institutions. Such insight will be helpful in the decision making processes for which the Board of Pardons and Paroles is responsible.

9. Please state your interest in this appointment. For example, what would you like to see accomplished?

As a member of the Board of Pardons and Paroles, I aim to continue the Board's history of ensuring fair and deliberate attention is paid to the correctional portion of the criminal justice system while simultaneously putting the safety of our citizens and communities at highest priority in that process.

10. Are you a registered lobbyist? If so, for whom?

No.
